APOLLO AND HOLIDAY PARKS DRIVE HOLIDAY DISCOUNTS

The Apollo Motorhome Holidays family of rental brands has announced a partnership with New Zealand's major holiday park networks: Kiwi Holiday Parks and Top 10 Holiday Parks and Family Parks in both New Zealand and Australia to offer discounts on motorhome rentals and site fees.

Apollo, Cheapa Campa, Hippie Camper and Star RV customers will receive 10% off their campground costs at more than 74 Family Parks and Kiwi Parks, and 60 minutes free internet at the 52 Top 10 Holiday Parks across New Zealand. A 10% discount will also apply at the 160 Family Parks in Australia.

Members of any of the holiday parks will now receive 10% off the rental of any motorhome or campervan in the Apollo, Cheapa Campa, Hippie Camper or Star RV fleets within New Zealand.

Apollo Motorhome Holidays CEO Luke Trouchet said the company was passionate about promoting road trips in New Zealand.

"New Zealand is one of the world's most beautiful destinations to take a campervan or motorhome holiday, and the holiday parks we are partnering with offer a great quality experience," he said.

"These new partnerships make road trips in New Zealand even more cost effective, and will encourage tourists to travel further and explore more within the country."

Holiday hopefuls have until December 31 to enter a competition at www.facebook.com/apollocamper to win a \$20,000 motorhome holiday around Australia.

Apollo, Hippie Camper, Cheapa Campa and Star RV have rental fleets available for pick up from Auckland or Christchurch. Vehicles available range from Hippie Camper's 'Deluxe' two-berth which feature a rear awning for rainy days, through to the Star RV 'Hercules' – a six-berth premium motorhome with all the creature comforts including onboard shower and toilet, flat screen tv with built in DVD player, fridge, microwave and heating.
