

Special Advice for 4WD Customers

Travel Start from 1st April 2018 to 31 March 2019

We greatly value your safety and patronage. For this reason we want to ensure all customers renting a 4WD from Apollo/Cheapa are fully aware of key Safety considerations. The following points are vital to your safety:

• Always drive within your capability	• If you're tired, take a break!
• Do not make travel times and distances too excessive	• Be aware of changing road conditions
• Do not drive at night	• Stay on tracks and report remote travel plans to an official
• Adjust gear range and tyre pressure to suit conditions	• Observe safety information stickers in vehicle

Irresponsible and/or careless use of 4 wheel drive vehicles can result in serious injury or death. Please exercise due caution while driving your Apollo/Cheapa 4WD!

While your safety is our number one concern, we must also look after our vehicles to ensure that we can service future customer bookings. While our vehicles are purpose built, they will not withstand abuse, negligent treatment or reckless driving, and you should note that breaching the conditions agreed to in your rental contract may not only endanger you and your passengers, but could also put you at significant financial risk and responsibility.

We specifically remind you of your responsibilities in your Apollo/Cheapa Rental Agreement, where it clearly informs you when (irrespective of Liability coverage taken) you will NOT be covered.

The use of 4WD vehicles is also restricted as defined in your Rental Agreement.

By signing this document, written permission has been granted for travel in areas listed in * Section A, subject to all other terms and conditions of Hire. Please contact the Police or other local authorities regarding road and weather condition prior to travel. If a road is closed you are not permitted to travel on this road irrespective of permission being granted previously.

* SECTION A		
Arnhem Land in general	Gibb River Road	Simpson Desert
Birdsville Track	Kalumburu Road as far as Drysdale Station	Strzelecki Track
Bloomfield Track	Mereenie Loop	Tanami Track
Burke Developmental Road (from Chillagoe to Normanton)	Mitchell Falls/Plateau	The Bungle Bungles
Cape Leveque	North of Cape Tribulation	The Plenty Highway
Cape York (except between December to may where travel is prohibited)	Oodnadatta Track	Warburton Road
Finke road (between Alice Springs and Oodnadatta)	Savannah Way (from Normanton to Borroloola)	

We also remind you the Guest is responsible for all damage if travelling on these roads. In the event of an accident or breakdown in an area outlined it will be your full financial responsibility to pay any salvage, towing and/or recovery costs to the nearest Apollo/Cheapa branch (except where 4WD Additional Cover has been purchased and applies). No replacement vehicle will be provided under any circumstances.

In addition, we remind you that ALL Apollo/Cheapa 4WD Vehicles are NOT Permitted in the following areas under Any Circumstance:

Boggy Hole (Finke Gorge National Park)	Moreton Island
Central Arnhem Road	Old South Road from Maryvale to Finke
Fraser Island	Old Telegraph Road section of the road to Cape York
Gunbarrel Highway and Old Gunbarrel Highway	The Canning Stock Route
Lennard River Gorge Road (The last 2 kilometres)	The Lost City in Litchfield Park

We are confident that our guests who exercise caution and prudence while hiring our 4WD Vehicles will have a safe and carefree journey into the best of the Australian outback. We enforce these rules for your safety and to ensure the availability of our vehicles for future customers. Drive safely, and please enjoy your Holiday!
